Department of Mechanical Engineering

A Seminar on Role of Youth in Surakshit Bharat

The Department of Mechanical Engineering organized a Seminar on Role of Youth in Surakshit Bharat in association with **Fire & Security Association of India (FSAI)** on **2nd August, 2018** for all FAMT students. 304 students and the faculty members of Department of Mechanical Engineering were present for the programme.

The students learnt various precautionary measures like not using the lift, type of fire extinguishers to use etc. The attendees were also trained in evacuation procedures and a fire drill was conducted which can be followed in case of an emergency. The teachers were practically made to douse a fire and students were also shown as to douse the fire. The primary goal of this seminar was to apprise the students about the modern gadgets available in the market. A presentation on types of fire and how to react and respond to fire accidents was given by Mr. Rajesh Shirke.

This seminar will help students to understand the subject matter and build confidence to deal with fire effectively by using safety equipments. FAMT is very much thankful to FSAI Mumbai Chapter and Mr. Rajesh Shrike, FSAI Mumbai Chapter for the cooperation.

This program was coordinated by FAMT FSAI Faculty Advisor Prof. Hemant V. Chavan and Prof. Abhijit M. Date under the guidance of Dean Academics Dr. M. S. Kirkire, Principal Dr. Kaushal Prasad, HOD of Mechanical Engineering Department Prof. Milind S. Yadav.
