Finolex Academy of Management & Technology,
Ratnagiri
Department of Information Technology
Technocrat 2k19

It is truly a remarkable achievement for the Information Technology Department to organize the first inter-college technical event, Technocrat 2K19, under ITSA from 14th to 15th February 2019.

The inaugural ceremony took place on 14th February, 2019 in presence of Dr. Kaushal Prasad, Principal; Dr. Vinayak Bharadi, HoD IT department; the faculty members and other dignitaries. Technocrat 2k19 included many technical events such as Blind Coding, Time Trigger, Google It, PPT Presentation, Treasure Hunt etc. Technocrat 2k19 was more fun with inclusion of a Fun-Fair along with technical events. Fun-Fair had different Funny games, Food stalls, Photo Booth, Mehendi etc.

The event was successful in attracting many registrations to participate in the competitions. The winners were appreciated with certificates and cash prizes. The participants were also given certificates as a token of encouragement.

The team ITSA feels proud to organize such a successful event and would like to convey thanks to Dr. Kaushal Prasad, Principal, the management, and the Department of IT for their timely advice and co-operation for organizing 'Technocrat 2k19'. Technocrat 2K19 was led and executed successfully under the guidance of ITSA Faculty In-charge Prof. Priyanka Bandagale.
