Industrial Visit to Finolex Industries Limited

The Department of Chemical Engineering organized an Industrial Visit to Finolex Industries Limited, Ranpar, Ratnagiri, on 9th March, 2019. The visit was organized for Third Year Chemical Engineering students and the objective of the visit was to give exposure to various unit operations and processes of chemical engineering. An emphasis was given on the control unit and Effluent Treatment Plant [ETP], where waste water is treated, as it is a part of curriculum of 6th semester in Third Year of Engineering.

During the visit **Mr. L. D. Ghule**, In-charge of the ETP, guided the students thoroughly regarding the working of ETP. **Mr. Yogesh Teredesai** and **Mr. Ramesh Dohipode** also played a valuable role during the visit. **Prof. R. K. Marag & Prof. D.C. Dengale** were the coordinator of the visit. **Prof. Y.A. Landge** accompanied the students on this visit.
