Mandavi Beach Cleaning Program

Information Technology Students Association (ITSA) organized **Mandavi Beach Cleaning Program** on 9th March, 2019. The students of S.E. IT actively took part in cleaning the beach with banners having slogans on reducing use of plastic, importance of plantation, greenhouse effect etc.

The students cleaned the garbage like plastic bags, wrappers, plastic bottles etc from the beach. They showed lot of interest in social event and successfully conducted it with a request to organize such social events every year.

Faculty co-ordinator -Prof. Deven Ketkar
Total number of students participated- 23
