A Workshop on Creating APIs Using Laravel Framework

A Workshop on “Creating API’s using Laravel Framework” was conducted by the Department of MCA on 11th August, 2018 for the Second and Third Year MCA students. It was coordinated by **Prof. Kishor R. Bhosale** and conducted by **Miss Komal R. Bhosale**.

Prof. Tejas. V Joshi introduced the resource person and **Prof. Harshada U. Salvi** welcomed the guest. The workshop covered various theoretical concepts and practical sessions on Laravel Framework. It helped the students to get practical knowledge of designing more standard and professional looking APIs. **Prof. Ravindra V. Kerkar** expressed the vote of thanks.
