## **Industry Expert's Session on Opportunities for Engineers in Export Industries**

Training & Placement Cell of FAMT organized an Industry Expert's Session 'Opportunities for Engineers in Export Industries' on 10<sup>th</sup> September, 2019 on FAMT campus. Mr. Atul Mayekar (Director- Jumbo Export) and Mr. Shubham Bandabe (Jumbo Export) were the resource persons for the session.

The resource persons expressed their views that the world has become smaller due to the digitized global economy. It has opened up a tremendous opportunity in businesses involving various imports and exports. The majority of the export companies for Engineering products and services in India always prefer to hire Engineers.

Total 73 B.E. students attended this session. This session helped students to know the role of Engineers in Export Industry and opportunities in the field of import-export.
