Industry Specific Training in 'Automation using PLC and SCADA'

Training & Placement Cell of FAMT in association with the Departments of Electrical, Electronics and Electronics & Telecommunication Engineering, organized the Industry Specific Training in 'Automation using PLC and SCADA' from 16th September to 22nd September, 2019 on FAMT campus. Mr. Gaurav from Treezec E-solutions Pvt. Ltd was the resource person for this training.

Total 29 students of B.E. Electrical, Electronics and Electronics and Telecommunication Engineering underwent the training. It helped them to understand the concepts of automation, PLC programming and high-level process supervisory management using SCADA software. Prof. Sudhir Wamane, Prof. Amol Sutar and Prof. Saurabh Athalye coordinated the training program.
