Report of Internal Hackathon for Smart India Hackathon 2020

The Department of Information Technology organized an Internal Hackathon for Smart India Hackathon on 20th January 2020. It was a preliminary round for Smart India Hackathon National Level Competition.

Smart India Hackathon 2020 is a nationwide initiative to provide students a platform to solve the pressing problems we face in our daily lives. Thus, it inculcates a culture of product innovation and a mindset of problem-solving. A total of 20 teams of FAMT participated in the competition. It was conducted under hardware and software categories in which the students of IT, MCA, Mechanical, Electrical and Electronics departments took active participation.
