MESA ORGANIZED
MECHOTSAV & AUTOTECH 2k20

MECHOTSAV 2K20 was organized at Finolex Academy of Management & Technology on 27th and 28th February 2020 by **Mechanical Engineering Students Association [MESA]**. Honorable Principal **Dr. Kaushal Prasad** inaugurated the event.

MESA administrated the techfest under the guidance of **Dr. Milind S. Kirkire**, Head Mechanical Engineering Department, **Prof. Tushar V. Kavatkar**, MESA Faculty In-charge, and **Prof. R. M. Rasal**, Assistant MESA Faculty In charge. MESA Head **Mr. Vikrant Patwardhan**, **Ms. Swati Chavan**, Ladies Representative, Assistant MESA Head **Mr. Shriyog Gimhavanekar**, Event Management Head **Mr. Saurav Sawantdesai**, Finance Head **Mr. Suhail Dhamaskar**, AUTOTECH Head **Mr. Pranay Bullu** and other student's coordinators worked hard and made the event a grand success.

Dr. Kaushal Prasad (Principal), Dr. Milind S. Kirkire (HOD Mechanical Engineering), Prof. Tushar Kavatkar (MESA Faculty Advisor) during Inauguration of MECHOTSAV 2K20

MECHOTSAV 2K20 EVENTS

MODEL MAKING: Learn to implement the concepts of Strength of material and Mechanics in actual

PACK IT SAFE: Students will have a brief idea about the concepts and consideration during the process of packaging

Teacher's participated in pack it safe event

TEAM TASK FORCE: An innovative event with logical games which the students have to complete in given constraints and time to boost their creativity

LATHE WAR: Learn the skill on the Lathe machine along with the safety aspects

TECHNICAL DUMCHARADES: Enact and guess the names of technical terms

MOCK PLACEMENT DRIVE: To improve the technical skills, communication skill and general knowledge of students.

ENTREPRENEUR'S PROPOSITION: To enhance the skill of research paper literature survey and presentation

CAD-MASTERS: Drafting in AutoCAD to improve software knowledge

Prize distribution for Cad Master winners

BOX CRICKET: Extra-Curricular Event received a huge response

TECH WIZARDS: To improve the technical skills and general knowledge of students.

AUTOTECH 2k20

In view to create awareness about the basic systems of Automobiles, Specifications, and Maintenance, Recent Trends in Automotive and Design considerations, MESA had organized AUTOTECH 2k20 on 27nd February 2K20.

AUTOTECH ACTIVITIES

- Basic Systems of Automobiles
 - Engine
 - Steering System
 - Transmission system
 - Suspension System
 - Braking
- Emission Norms
- Motorsport
- Robotic Technology
- Recent Trends: Hybrid Vehicles

Students Explaining Basic Systems of Automobile Engines

Students Explaining Different Automotive systems
