Ratnagiri
Department of Electronics Engineering

A Two days Intercollegiate Technical Festival
Electrofocus-2K20

A two days intercollegiate technical festival *Electrofocus-2K20* was organized by Electronics Students Technical Association (ESTA) at the Department of Electronics Engineering from 27th to 28th February 2020.

The techfest was based on technical and non-technical competitions such as Circuit Building, Arduino Coding, Slow Motorcycling, Stamp Jump, Calci War, Robo Race, PUBG Squad, Tech Quiz with Logo Hunt, Techno Treasure Hunt, Tug of War, Mobile Photography, Mehendi, Sketching, Rubik's Cube Challenge, etc. The department was nicely decorated with the theme of the Indian Navy, to pay tribute to the great warrior-king Chatrapati Shivaji Maharaj as he was known as the Father of the Indian Navy.

Dr. Kaushal K. Prasad, Principal FAMT, inaugurated the event by unknitting the IoT based automatic inauguration ribbon. A total of 394 students participated in various competitions out of which 54 students were from other colleges in Ratnagiri, Devrukh, Kankavli, Pune, etc. which made this event truly intercollegiate. The winners of various competitions were rewarded with cash prize and certificates.

This event was aimed at helping the students in exploring their creativity and technical skills. The confidence level in students seemed lifted when they understood how non-technical events such as Mobile Photography, Rubiks Cube challenge can also have the technical background and logical relations.

Mr. Hrushikesh B. Juvale (Student Chief Coordinator, ESTA), Ms. Mayuri R. Sawaratkar (Student Assistant Chief Coordinator, ESTA), and Mr. Rahul Kumar P. Tivarekar (Faculty In-charge, ESTA) smoothly carried out all the knowledge and fun activities with the support of all teaching and non-teaching staff of Electronics Engineering Department under the guidance and suggestions of Prof. Girish. G. Bhide, HoD.

Competition: Arduino Coding

Competition: Calci War

Competition: Circuit Building

Competition: Robo Race

Competition: Mehendi

Competition: Mobile Photography

Competition: Rubiks Cube Challenge

Competition: Sketching

Competition: Tug of War

Competition: Techno Quiz

Competition: Techno Treasure Hunt

Competition: Stamp Jump
