Department of Mechanical Engineering

A Training Program in Fire Safety

The department of Mechanical Engineering organized a training program in **Fire Safety** in association with **Fire and Security Association of India (FSAI)** on **2nd August, 2018**. This program was organized for all FAMT students and 303 **students** were present for the same.

FIRE & SECURITY ASSOCIATION OF INDIA (FSAI) is a nonprofit organization established in 2002 representing the Fire Protection, Life Safety, Security, Building Automation, Loss Prevention and Risk Management domains. It gives the information about latest fire prevention and firefighting equipment's to the engineering students.

Mr. Rajesh Shirke on behalf of FSAI Mumbai Chapter coordinated the entire activity. The students were explained the importance of using fire retardant materials and sealants to make the building more fire safe. Towards the end of the session, a live demonstration on usage of fire extinguishers & safety training also was given by the fire safety officers.

This program was coordinated by FAMT FSAI Faculty Advisor Prof. Hemant V. Chavan and Prof. Abhijit M. Date under the guidance of Dean Academics Dr. M. S. Kirkire, Principal Dr. Kaushal Prasad, HOD of Mechanical Engineering Department Prof. Milind S. Yadav.

Participating staff and students

Mock drill session

FSAI conducts fire safety training for students

Basic First Aid training

Mock drill with live demonstration

Training session for Students
