A Seminar on Career Opportunities for IT Grads

A Seminar was arranged on Career Opportunities for IT Grads for Technical Support Jobs in IT Industry for the final year students of the Department of Information Technology. The seminar was held on **3rd October 2019**.

Ms Anaya Joshi working in **Capgemini India Pvt. Ltd. Mumbai** as **Associate Consultant Engineer** delivered the session. She discussed the current industry requirements and the importance of technical support jobs in the IT industry. She shared the technologies which are required to be prepared by students to get technical support jobs. The session was very interactive and the students were very pleased with the session.

The event was initiated by HOD IT, Dr Vinayak A. Bharadi and organized by Prof. S.Sankareswari. This session was attended by 51 students of B.E. IT classes. All the students expressed a vivid interest in attending and benefiting from more such events in future.
