Microsoft Azure Virtual Training Day: AI Fundamentals

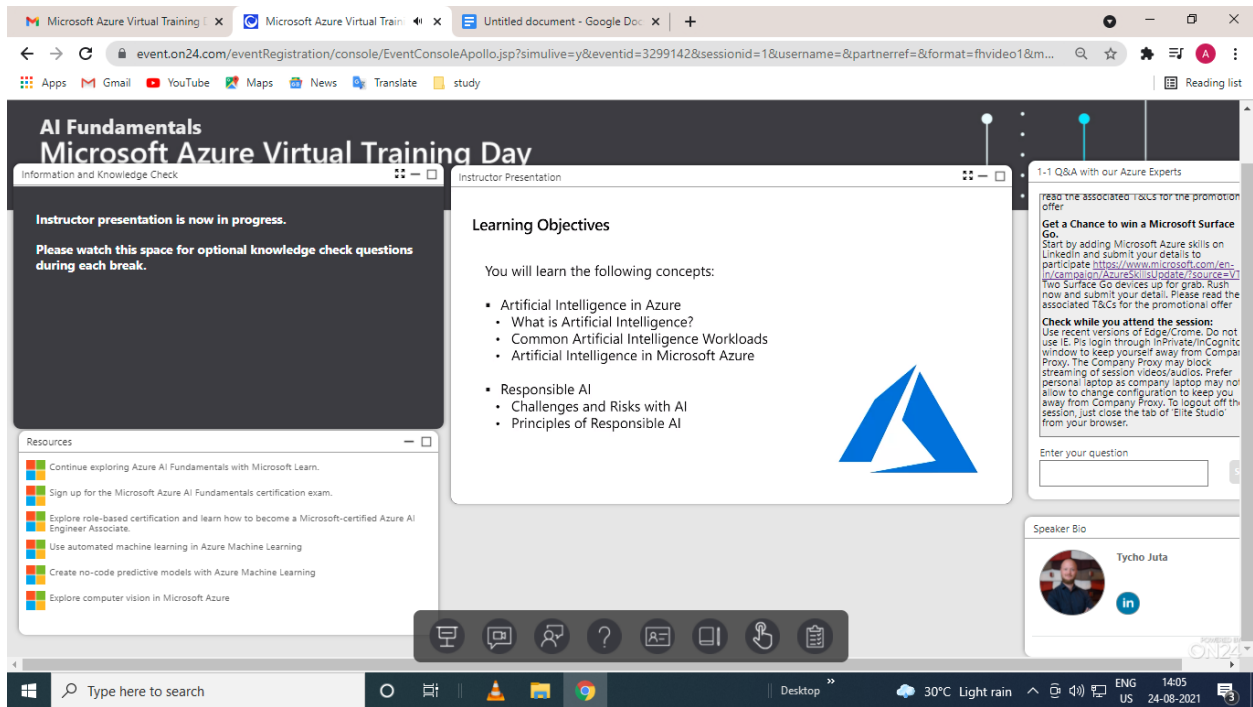

Microsoft Azure Virtual Training Day: AI Fundamentals was organized by the Information Technology department in association with Microsoft on 24 August 2021. **Tycho Juta (Azure Technical Trainer- Microsoft)** delivered a session for B.E IT students through a web-based platform. The main objective of the training programme was to discover the solutions to create with AI and the Azure services that can help in building those solutions.

A total of 54 IT students registered for the training. It helped students to know about aspects of artificial intelligence in Azure. The resource person explained responsible AI, concepts of machine learning, natural language processing etc. He also demonstrated the implementation of machine learning models, bots by using the Microsoft Azure platform.

The session was initiated by **HOD IT, Prof. Dr Vinayak A. Bharadi** along with **Prof. Ashish B.Vartak** as the event coordinator.
