

## HOPE Foundation's Finolex Academy of Management & Technology, Ratnagiri Department of Information Technology

## Workshop on Introduction to Robotic Process Automation using UIPath

The Workshop on **'Introduction to Robotic Process Automation using UIPath'** was organized by the Information Technology department on 15 August 2021. **Prof.Amar R. Palwankar** (Assistant Professor IT Department), delivered a session for T.E. and B.E IT students through Google Meet. The main objective behind organizing this workshop was to provide students with an insight into Robotic Process Automation using UIPath.

This workshop was attended by 44 students of the IT department. The workshop helped students to know about RPA using UIPath to solve various use cases. The resource person explained the basics of Robotic Process Automation using UIPath, how to identify processes that can be automated. He also demonstrated the process to set up the UIPathenvironment. Prof. Palwankar also explained with a demonstration how to Develop and deploy basic robots independently using the UiPath RPA Platform

The session was initiated by **HOD IT**, **Prof. Dr Vinayak A. Bharadi** along with **Prof. Ashish B.Vartak** as the Workshop coordinator.
