An Expert Session on Start-up Skills

An Expert Session on Start-up Skills was organized by the Institute's Innovation Council (IIC) and Innovation & Entrepreneurship Development Cell on 11 October 2021 for all Third Year students of FAMT with the objective to motivate them to establish their own business and be a generator of employment.

Prof. Jayant Mane, the President of IIC and the Convener of IEDC shared very insightful information on start-ups and start-up skills. He explained how one can start their own business and create employment for others. A total of 66 students from all branches of Engineering attended live streaming of the session on YouTube and shared positive feedback. The duration of the expert lecture was 65 minutes. Prof. D. M. Bapat, Prof. D. S. Nangare and Prof. N. H. Gangrekar coordinated the session.
