ISHRAE Activity: A Quiz on Semi-Conductor Chips

ISHRAE FAMT Students Chapter conducted a quiz on **Semi-Conductor Chips** On 7th December 2021 via Google Form to improve the knowledge about **Semi-conductor Chips**.

It has been more than 18 months, and the global semiconductor chip shortage that started last year, is still plaguing various industries. We thought this is an opportunity to spread awareness about various semiconductor devices. 37 students from various schools and colleges attended the quiz and gained valuable knowledge which will help them in future while working in the industry.

We all FAMT ISHRAE Members worked together as a team to make this quiz successful. The quiz was coordinated by FAMT ISHRAE student members under the guidance of Faculty Advisor Prof. V S Bagade and Prof. S UMayekar, Dr M. S. Kirkire, Dean Academics and HoD Mechanical Engineering Department, and Dr Kaushal Prasad, Principal.
