## **A Value-added Course in Introduction to Swift Programming & X-code**

Department of Information Technology had conducted a Value-added Course titled **Introduction to Swift Programming and X-code** in association with Apple iOS DUP on Saturdays from 02<sup>nd</sup> to 30<sup>th</sup> October 2021 for all third-year students of FAMT.

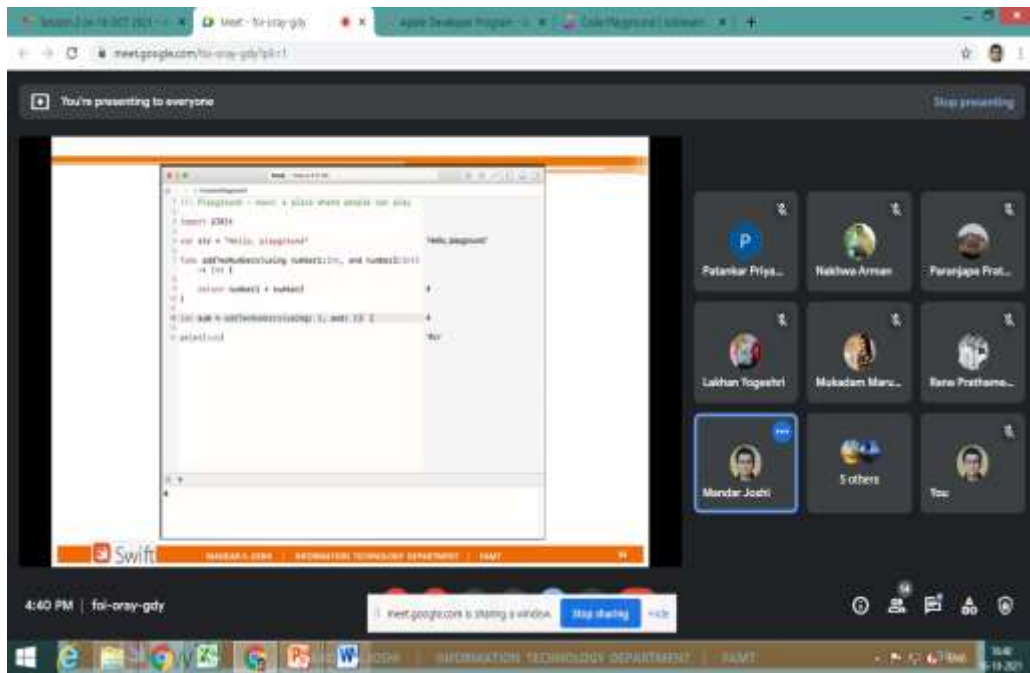

The value-added course made the students aware of Swift Programming Language used by companies - Apple, Coursera, Meta etc. Prof. Mandar Joshi, Assistant Professor with more than 15 years experience, explained the Swift Programming to students through demonstration. Further, to develop the programming skill of students, he assigned hands-on tasks and shared quizzes with the participants during the course period of 30 Hrs.

The value-added course was coordinated by Prof. Geetanjali Nilesh Sawant. A total of 88 students were benefited from the value-added course.
