

Expert Interaction on Introduction to Swift Programming and App Development

Department of Information Technology organized an expert interaction session titled **Introduction to Swift Programming and App Development** in association with Apple iOS DUP, on 5th March 2022 through CISCO Webex.

Mr Sudhir Kapadnis was the guest speaker for the session. Mr Sudhir Kapadnis has more than **30 years** experience in multinational and multi-cultural organizations developing human capital. He has delivered sessions along with Mr Shibu MV, a talented professional with over 24 years experience in presales consulting to technology sales with a proven record of accomplishment on business development, channel management, technology training, technology positioning and managing strategic alliances.

The expert session made the students aware of a latest technology - Swift Programming Language adopted in companies like Apple, Coursera, Meta and many more. The features of Swift Programming were explained with a demonstration. The expert session was coordinated by Asst. Prof. Geetanjali Nilesh Sawant. A total of 63 students were benefited from the session.
