# B. E. Project Exhibition Held in IT Department

The Information Technology Department, Finolex Academy of Management and Technology, Ratnagiri, organized a **Project Exhibition** on 11th April 2022 for BE IT students.

The exhibition provided a platform to unleash the potential of the students by showcasing their innovative projects developed in the Final Year of Engineering. The exhibition was organized as a part of their final semester project work. A total of 27 working projects on display were mentored and guided by the faculty members of the IT department. The students exhibited their technical as well as presentation skills with demonstration of their projects. A total of 70 students in the final year from the Information Technology Department participated in the exhibition. The event was coordinated by Prof. Priyanka Bandagale ,Asst. Professor in the IT department.
