MESA Organized MECHMANTRA 2K22

MECHMANTRA 2k22 was organized in the Finolex Academy of Management & Technology on 27th March 2022 by Mechanical Engineering Students Association [MESA].

The inauguration ceremony took place in the Mechanical Department block. Dr Sanjay B. Kulkarni (Prof. First Year Engineering), Mr Rushikesh M. Rasal (Asst. Prof. Mechanical Engineering) and Mr Umesh K. Samant (Asst. Prof. First Year Engineering) inaugurated the event. Taking into consideration the post-global pandemic situation, this year the entire event was conducted offline after two years. The events were designed in such a way that participants enjoyed and learned some technical knowledge and skills and enhance their interest in academic and extracurricular activities.

MESA administered the event under the guidance of Dr Kaushal Prasad [Principal], Dr Milind S. Kirkire [HoD Mechanical Engg. Dept & Dean Academics] and Prof. R. M. Rasal [Assistant MESA Faculty Incharge]. MESA Head Mr Manthan Patne, Ladies Representative Ms Maithili Jadhav, Assistant MESA Head Mr Prem Kolte, and other student coordinators worked hard and made the event a grand success.

The poster for MECHMANTRA 2K22 features a central graphic of interlocking gears in yellow, green, and red, with the text 'MECHMANTRA 2K22' overlaid. The event dates '26TH & 27TH MARCH' are written below the gears. The background is a gradient of purple, blue, and green. Logos for FAMT and the school crest are in the top corners. The text 'HOPE FOUNDATION'S FINOLEX ACADEMY OF MANAGEMENT AND TECHNOLOGY DEPARTMENT OF MECHANICAL ENGINEERING' is at the top. The poster lists five events with their respective coordinators and prize amounts:
