## Value-added Course on Technical Paper Writing and Presentation

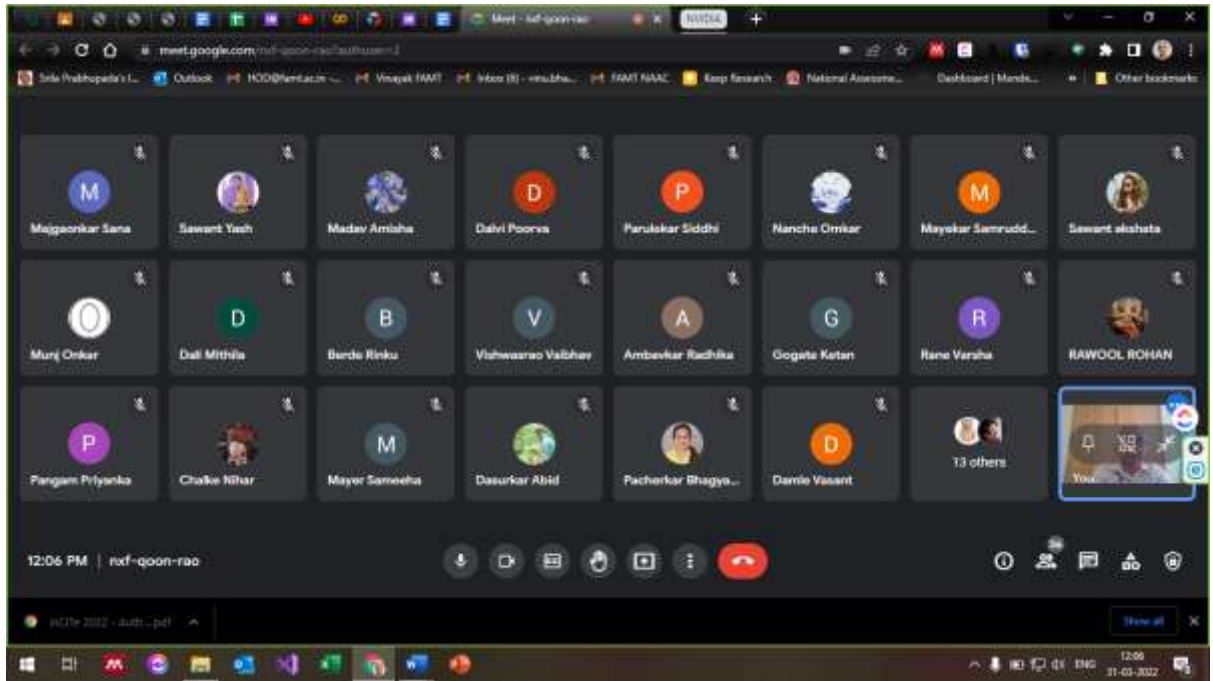

The Information Technology Department organized a one-day Value Added Course on **Technical Paper Writing and Presentation** on 31<sup>st</sup> March 2022 for BE IT, students.

The course provided the knowledge about good presentation and delivering it effectively. Along with this, a technical paper writing session was conducted which helped the students to conduct research study as a part of their curriculum.

A total of 40 students of B.E. from the Information Technology Department registered for the value-added course conducted by **Dr Vinayak Bharadi (HOD-IT)**. The online event was coordinated by Prof. Priyanka Bandagale (Asst. Prof.)
