Alumni Interaction on Career Path in Software Testing

An **Alumni Session on Career Path in Software Testing** was organized by the Department of Master of Computer Application on 2nd May 2022.

Ms Sharvari Patil, Automation Engineer at Worldline Global, Pune, Alumnus of the 2018 MCA batch, delivered the session for FYMCA students.

This session was attended by 50+ students along with the faculty members of the department. The session helped students to know about opportunities for MCA Engineers in Testing Field.

Ms Sharvari Patil explained the importance of a strong resume and various ways to improve the resume through additional certifications, internships, projects, publications etc. The session was superintended by the Head of the MCA Department, Prof. Tejas V. Joshi along with Prof. Harshada U. Salvi and Prof. Rahul Kotawadekar as the Department SAM coordinator. The vote of thanks was expressed by Prof. Ravindra V. Kerkar. The participants interacted with alumni and also showed interest in attending such alumni sessions in future. The event coordinated by Prof. Ravindra V. Kerkar.
