ISTE Approved One Week STTP on Recent Trends in IT

The Department of Information Technology, FAMT conducted an ISTE-approved STTP on Recent Trends in IT from 16 to 20 May 2022. This STTP provided a forum for discussions on theoretical and practical aspects of advancements in IT, exchanging research ideas and challenges, and exploring possible solutions and future directions.

      A total of 17 faculty members from the Information Technology, Computer Science and Engineering Departments and nearby colleges attended lectures and hands-on sessions conducted by experts. The STTP was initiated by Dr Vinayak Bhardi(HOD-IT) and coordinated by Prof. Swati Powar.
