Flag Hoisting at FAMT on account of 'Azadi ka Amritmahotsaw'

FAMT celebrated the 75th anniversary of Indian Independence by hoisting the Indian National Flag from 13th to 15th August 2022. It was hoisted by the in-charge Principal of FAMT, Dr S. B. Kulkarni on all three days. On 15th August, he delivered a motivating address for the faculty, staff and students; focusing on the contribution and qualities of the freedom fighters that every citizen of India needs to inculcate.

The students presented various patriotic songs including one written and composed by a Third Year Electrical Engineering student of FAMT Mr Arman Attar. All those patriotic songs filled the hearts of all with the national spirit. This Independence Day in the 75th year of Indian Independence was a remarkable day for Team FAMT like every Indian.
