A Seminar on Microsoft Azure Virtual Training Day: Fundamentals

A Seminar on **'Microsoft Azure Virtual Training Day: Fundamentals'** was organized by the Information Technology department in association with Microsoft on 03 and 04 October 2022. **Azure Technical Trainer- Microsoft**, delivered a session for S.E IT students through a web-based platform. The students were made aware of the importance of data and its processing tools with help of the Microsoft Azure platform.

This seminar was registered and attended by 18 SE IT students. The event helped students to learn the roles, tasks and responsibilities involved in managing data in a cloud environment. The resource person explained core data concepts, the concept of relational data in Azure etc.

The session was initiated by **HOD IT, Prof. Dr Vinayak A. Bharadi** along with **Prof. Ashish B.Vartak** as the event coordinator.
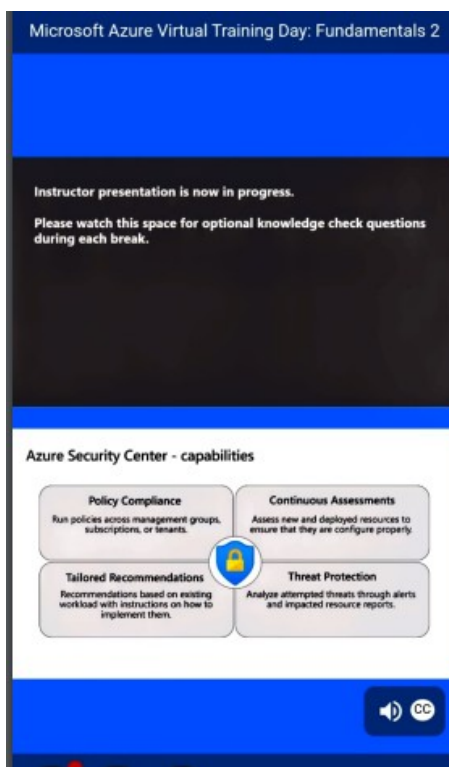

Azure Technical Trainer- Microsoft, explaining Fundamentals concepts by using the Microsoft Azure platform
