**Women Development Cell**

---

**A Seminar on Importance of Oral Hygiene**

The Women Development Cell aimed at promoting the general well-being of female students and staff at Finolex Academy of Management and Technology (FAMT). The cell is also responsible to undertake programs to sensitize gender equality, women's rights, and women empowerment.

In this context, the Women Development Cell of FAMT organized a seminar on the **Importance of Oral Hygiene** on 17<sup>th</sup> October 2022, in C1/6 at 10 am for girl students of FAMT. The objective of the program was to explain the importance of Oral Hygiene related to overall health and also to brief with the day-to-day life care to be taken for good oral health.

Introduction to the resource person by Ms Avnee Athavle (Student co-ordinator)

(L to R: Prof Abhilasha S. Jadhav(WDC Convenor), Dr Priya M. Yadav, Dr Kaushal Prasad (Principal))

The seminar was inaugurated by Principal Dr Kaushal Prasad along with the resource person Dr Priya M. Yadav.

**Inauguration by Principal Dr Kaushal Prasad**

**Along with resource person Dr Priya M. Yadav**

The resource person for the seminar was one of the renowned dentists from Ratnagiri, Dr Priya M. Yadav. She is a dental surgeon with an experience of more than 16 years. The seminar included topics right from the selection of toothbrushes, and toothpaste, routine tooth cleaning procedures, dental problems and precautionary measures to be taken to prevent oral problems. She briefly explained some facts like how dental health is related to overall health. Dr Priya ended the session with a very thoughtful note “Finally a smile matters a lot”.

**Participants listening to the seminar**

There was an interactive session with the students. In this, many students asked queries related to dental problems and also shared their views on the seminar, it was very informative, new and interesting too.
