**FDP on Ansys Training**

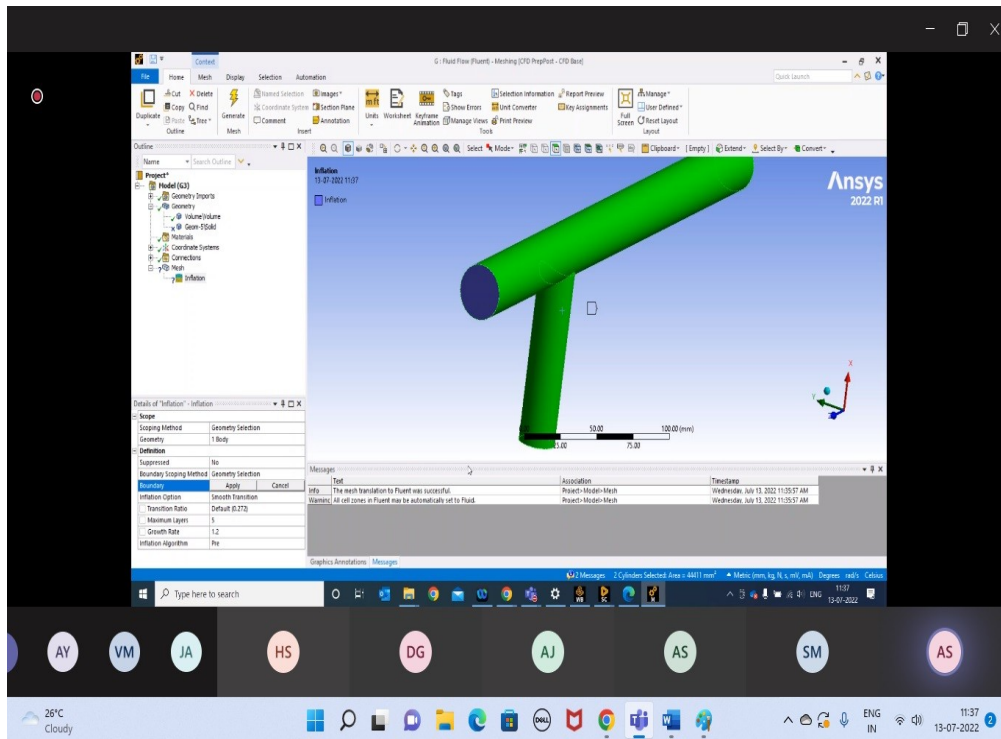

The Department of Mechanical Engineering of Finolex Academy of Management and Technology, Ratnagiri organized a faculty development programme on “Ansys Training” from 12<sup>th</sup> July to 13<sup>th</sup> July 2022 on Microsoft Team Platform for the faculty members of the Mechanical Engineering Department. The programme was attended by 19 faculty members of the Mechanical Engineering Department.

On day one, Mr Abhishek Singh, Application Engineer, ARK Infosolutions Pvt. Ltd delivered the session on how to use various modules of Ansys workbench like SCDM and Meshing. He also demonstrated the problems in the field of mechanical engineering using Ansys Workbench software.

Mr Abhishek Singh conducting a session on the workbench

On day two, Mr Ravindra Bucherla, Application Engineer, ARK Infosolutions Pvt. Ltd focused on how to use the CFD module of Ansys workbench. He also demonstrated the problems in the field of fluid mechanics using Ansys Workbench software.

Mr Ravindra Bucherla conducted a session on CFD.

This FDP was organized under the guidance of Dr M. S. Kirkire, HoD Mechanical. Prof. M. L. Naik coordinated this faculty development programme successfully. Prof. Mahadev Naik proposed a vote of thanks for the programme.

FDP certificate issued to participants
