Word with Readers

Warm greetings on New Year!

May you find the 13th issue of Verve in great well-being. We wish all our stakeholders a great new year 2023.

We are glad to share that FAMT has started Ph. D. programme in Mechanical Engineering and increased the intake of MCA to 90 seats this semester. In the second half of 2022, the academics and most of the activities were conducted offline but our students also got the benefit of the expertise through online mode. The students could also enjoy sports and cultural activities to some extent. Our alumni took noteworthy efforts to offer us their invaluable guidance, support and expertise. The students also benefited from the knowledge and experience of the industry experts with online certification courses and training.

We express our deep gratitude and appreciation to our alumni and all the experts for their valuable time and guidance. We also express deep gratitude to different companies in showing interest to offer training and placements to our students. We look forward to your continuous support and long association.

We wish you once again a very blissful and prosperous New Year! Please take good care of yourself and your family.

Thank you and stay safe!

Team FAMT

Achievements

1

FAMT received the Certificate of Appreciation from the Department of Endowment Skills, Employment, Entrepreneurship, and Innovation, Maharashtra State Innovation Society. Ratnagiri District Collector Shri Devender Singh felicitated Dr. Kaushal Prasad, Principal and the Jury members, Finolex Academy, for successfully organizing Ratnagiri District Startup Boot Camp 2022 on 14th October under Maharashtra Startup Yatra 2022.

FAMT secured 157th Rank among all the Private Engineering institutes in India and 183rd Rank among all Government and Private Engineering institutes in India in The Week Hansa Research Best College Survey 2022.

2

3

Computer Science & Engineering Department, FAMT, won the Champions Trophy at BIIT TECH-FEST 2022 organized on 16th December by Bartakke Institute of Information Technology, Ratnagiri. The CSE students won Innovator, Code Master, Bug-D-Code, Website Designing and Tech IT Quiz competitions.

The Institution's Innovation Council (IIC, FAMT) received 3 Star Rating by the Ministry of Education, Government of India, for promoting innovation and start-up in the campus during the IIC calendar year 2021-22 on 17th November.

4

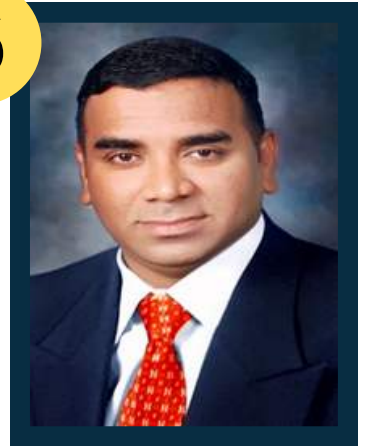

5

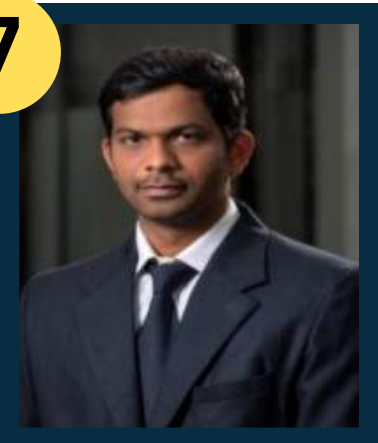

Dr Jayant J. Mane, Associate Professor & Head of Electrical Engineering Department, was awarded Ph.D. in Electrical Engineering by Dr Babasaheb Ambedkar Technological University, Lonere.

6

Prof. Hemant V Chavan, Assistant Professor, Department of Mechanical Engineering, was selected as the 'Member at Large' in the first Section Leadership Team of American Society of Mechanical Engineers (ASME), Maharashtra State Professional Section for the year 2022-23.

7

Dr. Yogesh M. Gajmal, Associate Professor IT Department, published a Patent for AI-Based Ploughing Machine at Indian Patent Office on 30th September.

FAMT Drama Team bagged Third Prize in the Zonal Round of the Loksatta Lokankika - Marathi One Act Play Competition, held at Sawarkar Natyagruha Ratnagiri on 14th and 15th December. FAMT Drama Team also won the additional prizes for Best Light Arrangement, Kadambari Prabhu-Walawalkar, Best Writer- Sagar Prakash Mane and Winner of Page to Stage Competition.

Ms. Sanika Pawar from Third Year Computer Science Engineering bagged Second Prize in a District Level Elocution Competition organized by The Collector Office, Ratnagiri on account of Wachan Prerana Din on 14th October at A. D. Naik High School, Ratnagiri.

10

FAMT Drama Team bagged Third Prize in Purushottam Karandak (Ratnagiri Centre) - Marathi One Act Play Competition, held at Sawarkar Natyagraha Ratnagiri on 28th September. The team was selected for the final round of the competition to be held at Pune.

11

Ms. Aditi Sudhir Shivgan won Gold Medal in Konkan Zone - IV Mumbai University Inter-Collegiate Taekwondo Under 57kg (Women) Competition 2022-23 held at the Gogate Jogalekar College, Ratnagiri on 21st September and qualified for the Inter-Zonal Inter-Colligate Taekwondo Competition.

Ms. Sanika Pawar from T.E. Computer Science Engineering won Consolation Prize at Late Mrunal Hegshetye State Level Elocution Competition. The competition was held on 20th August at Navnirman College, Ratnagiri in two rounds including Extempore Speech.

12

FAMT Students won Five Competitions at 55th Mumbai University Inter Collegiate Cultural Youth Festival Zonal Round organized at Rajendra Mane College of Engineering and Technology, Ambav, Ratnagiri on 23rd August. FAMT students were selected in 05 events for University Round Competitions. The winners are as follow:

13

Sr. No.	Competition	Name of Student	Rank
1	Skit (Group A)	Gargee Nagavekar Shweta Yenaji Shivam Parab Rahul Mhapankar Shivam Parab	II
2	Mono Act (Group A)	Gargee Nagavekar	II
3	Classical Instrumental (Percussion)	Tushar Gosavi	II
4	Poster Making	Madhura Machkar	Consolation
5	Folk Dance	Tanaya Kambale Mrunal Panchal Asawari Mhadgut Surabhi Haldawnekar Sakshi Gad Bhagyashree Natekar Aditi Rane Purva Chavan	Consolation

The Department of MCA in collaboration with the Training & Placement Cell held a Workshop on Soft Skills Development under GTT & Barclays CSR activity from 23rd to 30th November. Mr V. Kalyan Kumar, GTT & Barclays, conducted the workshop for MCA students. Lucidia Club was also inaugurated in the presence of Dr. Kaushal Prasad, Principal FAMT during the workshop.

3

4

Department of Mechanical Engineering organized a Faculty Development Programme on Ansys Training from 12th to 13th July on Microsoft Team Platform. Mr Abhishek Singh and Mr Ravindra Bucherla, Application Engineers, ARK Infosolutions Pvt. Ltd., conducted the sessions for Mechanical Engineering faculty members.

The Electronics and Telecommunication Engineering Department organized a Session on Training and Placement Activities for Industry Readiness on 15th December. Prof. Kishore Bhosale, Head, FAMT Training and Placement Cell, along with Prof. Pratik Kambale, Assistant TPO and Prof. Onkar Dike, Head IIC, conducted the session for Direct Second Year (DSE) students.

5

6

Information Technology Department conducted ISTE approved Two-week STTP on Advancements in Cryptography, Blockchain and Cryptocurrency from 05th to 16th December. The faculty members from the Information Technology, Computer Science and Engineering, Electronics and Telecommunication, Mechanical, Science and Humanities and MCA Departments participated in the STTP.

An Expert lecture on Internship was organized by the Computer Science and Engineering Department (AI & ML) on 16th September. Mr. Amrut Saynakar, Mr. Pratap Herekar, Ms. Snehal Khot and Ms. Agnes Suzan, Softmusk Info Pvt. Ltd., addressed TE Computer Science and Engineering students.

7

E&TC Engineering Department in association with Gustovalley Technovations, Hosur, Tamil Nadu under a Memorandum of Understanding (MoU) organized a 05 Days Online Training Programme on Cloud Computing from 1st to 5th August for BE students. The online training programme was conducted by Mr Paul Abraham, Industry Expert Trainer, Gustovalley Technovations, Tamil Nadu.

8

Interactions with Alumni and Experts

1

Department of Chemical Engineering organized an Expert Lecture on Role and Challenges as a Chemical Engineer in Pharmaceutical Industry on 12th October. Ms Priti Patil, Alumna and Assistant Manager in VAV Lipids Pvt. Ltd. was invited to interact with TE and BE Chemical Engineering students.

2

Department of Mechanical Engineering organized a Technical Talk on Solar Thermal Energy Conversion on 11th October. Mr Rishikesh Kondekar, FAMT Alumnus, delivered the talk.

3

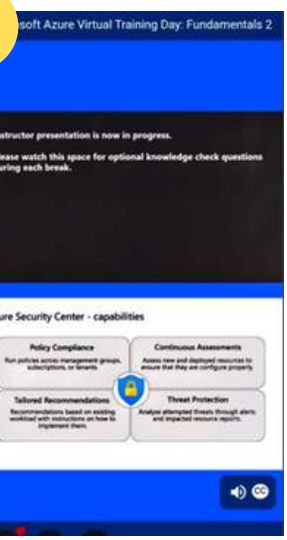

A Workshop on the Hydrodynamics of a Packed Column was conducted on the 10th and 17th of October for TE students by Prof. A. K. Bandsode.

A Seminar on Microsoft Azure Virtual Training Day: DevOps with GitHub was organized by the Information Technology Department in association with Microsoft Virtual Academy from 6th to 7th October for IT students.

4**5**

Department of Chemical Engineering organized a Seminar on Higher Education Opportunities in Germany on 6th October. Mr Vinayak Thorave, an alumnus of the Chemical Engineering Department and currently pursuing MS (Process Safety and Environmental Engineering) from OVGU University, Magdeburg, Germany was invited to interact with TE and BE Chemical Engineering students.

6

A Seminar on Microsoft Azure Virtual Training Day: Fundamentals was organized by the Information Technology Department in association with Microsoft from 3rd to 4th October. Azure Technical Trainer- Microsoft, delivered the sessions for SE IT students.

7

A Seminar on SAP Programming and Its Industry Applications was organized by the Information Technology Department on 30th September. Mr Sitesh Sawant, FAMT Alumnus, currently working as SAP ABAP Developer & Graphics Web Designer at Gadre Infotech Pvt. Ltd. addressed TE IT students.

8

A Seminar on Cyber Security was organized by the Information Technology department on 29th September. Mr. Viren Chaudhari, Senior Engineer in Threat Research from Qualys Software delivered the seminar for BE IT students.

9

A Student Alumni Interaction was held by the Department of MCA, Student Association of MCA and Institute Innovation Council (IIC) - FAMT on 26th September. Mr Tanmay Patkar, FAMT Alumnus & Project Lead – ServiceNow, Vadini Infocenter.io Pvt. Ltd., Pune interacted with the students of Second Year MCA.

10

The Department of Electronics and Telecommunication Engineering organized a Workshop on PCB Design on 26th September. Prof. N. A. Marathe was the resource person.

A Seminar on How to be a Deep Learning Engineer was organized by the Information Technology Department for SEIT students on 23rd September. The seminar was initiated by Dr Vinayak A. Bharadi, Head - IT Department.

11

A Seminar on Advances in Accelerated Data Science was organized by the Information Technology Department for TE IT students on 22nd September as a part of the NVIDIA MoU. The webinar was initiated by Dr Vinayak A. Bharadi, Head - IT Department as a part of the NVIDIA MoU.

12

13

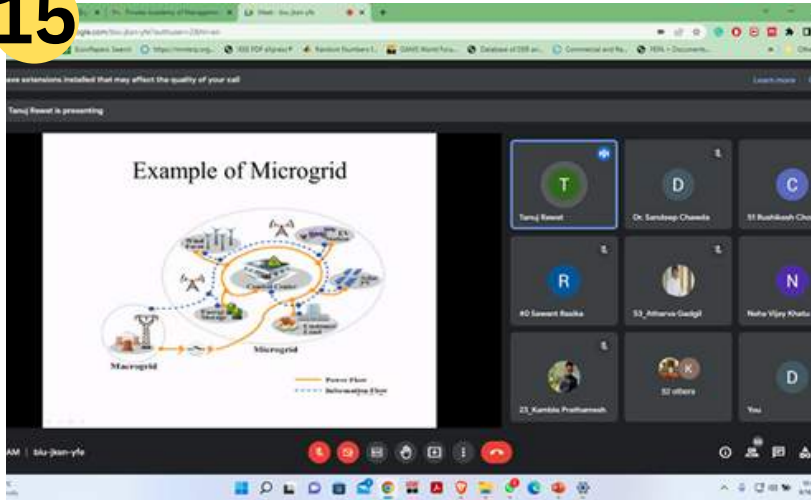

The Department of Electronics and Telecommunication Engineering organized an Add on Course on Major Project for B.E. E&TC students on 21st September including a Review Paper Writing Competition.

14

The Department of Information Technology held an Alumni Interaction on Digital Marketing for TE IT students on 20th September. Mr Abhishek Kamble, SEO Manager from Mumbai, interacted with the IT students.

15

The Department of Electrical Engineering organized an Expert Lecture on Microgrid System for Smart Grid on 16th September for BE Electrical students. Dr Tanuj Rawat, Assistant Professor, Electrical Engineering Department, S. K. Institute of Technology, Management & Gramothan (SKIT), Jaipur, Rajasthan delivered the lecture.

16

On 15th September, Mechanical Engineering Student Association organized a Seminar on Load Estimation and Electrical Safety for Mechanical Engineering students. Prof. MilindKumar N. Tagare, Associate Professor, Electrical Engineering Department FAMT, conducted the seminar.

17

An Industry Expert Session for BE IT students was arranged by the Department of Information Technology for BE IT students on 13th September. Mr Sachin Surve (Delivery Manager, Benchmark IT Solutions, Pune) and Mr Mangesh Wagh (Director, Benchmark IT Solutions, Pune) were the resource persons.

The Department of Mechanical Engineering organized an Expert Session on Sustainability: Theory and its Practice in Personal Life on 12th September for the students of Mechanical Engineering. Mr Dileep Kulkarni was the resource person.

18

Udyamita Protsahan Sammelan, a programme to encourage and inculcate the culture of entrepreneurship among students, was organized by the Department of Electrical Engineering on 12th August in the presence of Shri. Prashant Deshpande, Member of Central Sensor Board, GOI, Electrical Engineer, and an entrepreneur running a solar system business. Shri Hrishikesh Kondekar and Shri Manish Apte, entrepreneurs and alumni, were the guests of the programme.

19

A Webinar on Detecting Cyber Threats with Unsupervised Learning was organized by the Department of Information Technology on 11th August under the NVIDIA Developer Center. The webinar was initiated and organized by Dr Vinayak A. Bharadi, Head IT Department.

20

21

The Department of Computer Science and Engineering (CSE-AI & ML) organized an Expert Lecture on Trending Technologies in Cloud Computing on 6th August for CSE students. Mr Amit Sali, Managing Director of Appxerbia Software Solutions Pvt. Ltd., Pune, delivered the lecture.

22

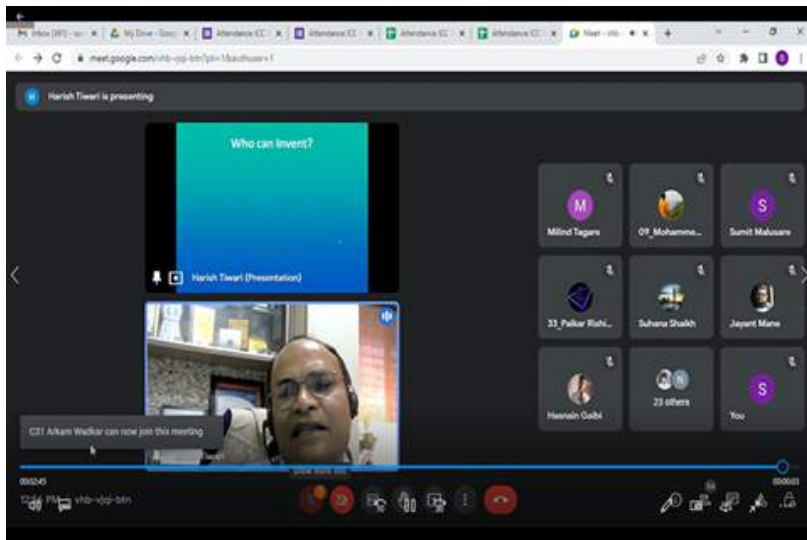

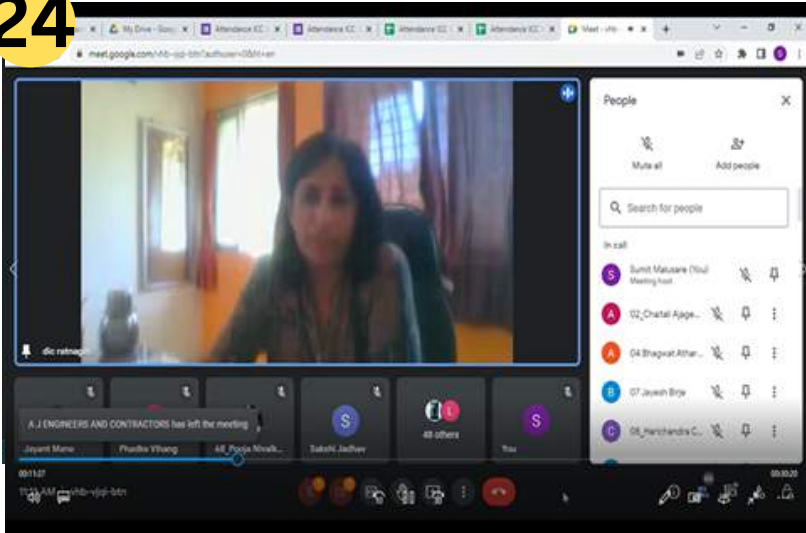

An Add on Course on Soft Computing was organized by the Department of Electrical Engineering on 30th July. The course was conducted for BE students by Prof. Mangesh S Modak, Assistant Professor, Department of Electrical Engineering.

23

Indian Machine Tool Manufacturer's Association (IMTMA) organized a Webinar on Non-contact Metrology on 20th July for the students of TE Mechanical Engineering. Mr. Ravi Kumar, Industry Consultant, was the speaker for the webinar.

24

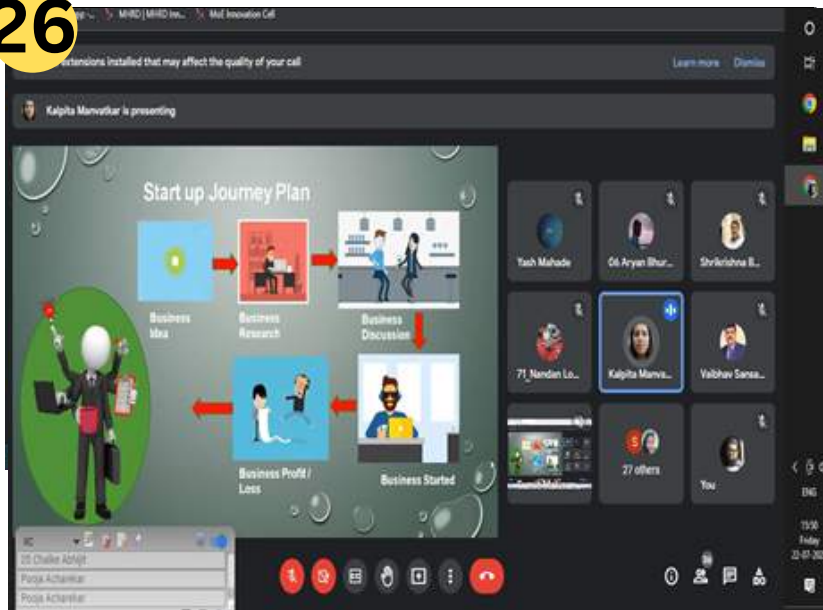

Impact Lecture Series 2022 Session 2 was organized in FAMT, under the directives of AICTE, was conducted by the IEDC on 30th July for the students of FAMT. Mrs Vidya Kulkarni, General Manager, District Industries Center, Ratnagiri delivered a very informative lecture on funding schemes of government agencies. Dr Harish Tiwari, Principal, PCCOER, Ravet, Haveli Pune, oriented the students about innovation in projects in the second lecture.

25

An Alumni Interaction on Career Planning was organized by the Electronics and Telecommunication Engineering Department on 20th July. Dr Gaurang Prabhudesai, FAMT Alumnus and Postdoctoral Researcher in Nanotechnology, interacted with TE E&TC students.

26

Impact Lecture Series 2022 Session 1 was organized at FAMT, under the directives of AICTE, by the IEDC to orient the students of FAMT about Entrepreneurship Development on 24th July. The first lecture was by Mr Prasad S. Parab, the Founder & Director of Swara Green Technology Pvt. Ltd and the second lecture was delivered by Mr. Sunny Suresh Solekar, the Founder & Director of Conferact Green Energy Pvt. Ltd.

Department of Chemical Engineering organized a Seminar on Challenges in Core Chemical Industries on 6th October. Mr Sandip Katkar, an alumnus of the Chemical Engineering Department and currently working as a Field Officer in Finolex Industries Limited, Ratnagiri was invited to interact with TE and BE Chemical Engineering students.

Extension Activities

1

The Department of Electronics & Telecommunication Engineering and Association for Students of Electronics and Telecommunication (ASENT) organized a Project Exhibition for HSC Science students on 8th September at R. B. Shirke High School, Ratnagiri.

2

ASHRAE Students Chapter conducted K-12 STEM Activity at Zilha Parishad Purna Prathamik School No.1 Karvanchiwadi, Ratnagiri Nagar Parishad School No. 07, Nana Surve High School, Ratnagiri Nagar Parishad School No 08, and Shree Bhageshwar Vidyamandir, Peth-Killa, on 18th August. Multiple activities related to Science, Technology Mathematics and Engineering were arranged for the school students such as Vedic Mathematics, Introduction to Computer, General Science Quiz and Drawing Marathon.

3

The Cultural Committee organized an Elocution Competition on account of Death Anniversary of Lokmanya Tilak on 1st August in Marathi and English.

4

Department of Mechanical Engineering organized a Seminar on Career Opportunities in Indian Coast Guard on 25th July for the students of Mechanical Engineering. Mr Naitik Tamang, Assistant Commandant, Indian Coast Guard from Ratnagiri Base delivered the seminar.

5

Ratnagiri District Startup Boot Camp 2022 was held at FAMT on 14th October under Maharashtra Startup Yatra 2022. It was arranged by FAMT's IEDC and IIC under the Department of Endowment Skills, Employment, Entrepreneurship, and Innovation, Maharashtra State Innovation Society.

Dr. Ashish Panat, the Chief Guest and Director, Innovation Incubation and Linkages, SNDT Women's University, Mumbai, Mrs. Inuja Shaikh, Assistant Commissioner, District Skill Development Employment and Industrial Guidance Centre, Ratnagiri, Mr. Kotavadekar, Directorate of Vocational Education and Training, Mr. Shetye, Principal, Industrial Training Institute, Ratnagiri, and Dr. Kaushal Prasad Principal, Finolex Academy graced the camp with their presence and guidance. Dr. Ketan Chaudhary, Mrs. Shramta Nalavde, Mr. Makarand Kesarkar, Mr. Chandrasekhar Shinde along with Dr. Ashish Panat guided the attendees about the startup and entrepreneurship opportunities in their respective fields and the skills development required for it. A total of 67 teams presented their business ideas and the three best ideas were selected for State Level Startup Yatra.
