**Technical Seminar on "Cloud Technologies "**

A technical Seminar on "**Cloud Technologies**" was organized by the Computer Science and Engineering (AI & ML) Department on 21st February 2023, from 11.30 am to 01.00 pm, in EN-1½ seminar hall.

**Mr Nilesh Takale, Founder and Director** of ITnium Training Institute, Sangali, delivered the session for S.E. and T.E. CSE students. The seminar provided the students with insight regarding career prospects in the domain of Cloud Technology along with essential skill building.

This session was attended by 80 CSE students. The session helped students to know what Cloud Technology is all about and after gaining knowledge of this domain what opportunities are there in the industry. The resource person also explained the use of cloud computing in industry, required resources for cloud computing technology, various platforms available for cloud services, and different service models used in cloud computing. He also provided information about the Certified Cloud Practitioner certificate availability.

**Prof. Mahesh A. Jadhav** was the seminar coordinator, and the program was initiated and carried out under the guidance of **Prof. Vrishali V. Nimbalkar**, HoD CSE.
