## Department of Information Technology

Project Exhibition

The Information Technology Department, Finolex Academy of Management and Technology, Ratnagiri, organized a "**Project Exhibition"** on 07th April 2023 for BE IT students.

The exhibition provided a platform to unleash the potential of the students and showcase their innovative projects developed in the Final Year. The exhibition was organized as a part of their final semester project work. There was a total of 20 working projects on display, during the event. All the projects were mentored and guided by the faculty members of the IT department. The students had to exhibit their technical as well as presentation skills wherein they were allowed to demonstrate their work.

A total of 70 students in the final year from the Information Technology Department participated in the exhibition. The event was coordinated by Prof. Priyanka Bandagale (Asst. Prof.) and supported by Dr V. A. Bharadi (HoD, IT).
