

FAMT Held a Seminar on Engineering Admission Process

A Seminar on “**Engineering Admission Process-2023-24**” was conducted by Finolex Academy of Management and Technology, Ratnagiri on **11th June, 2023**. The seminar was intended to provide valuable information regarding Engineering Admission Process for academic year 2023-24 based on the previous year admission process. A total of 260 students aspiring for engineering admission along with their parents attended the seminar.

At the beginning **Dr. Kaushal Prasad, Principal, FAMT** welcomed all the attendees and discussed the mistakes likely to be committed by the students during the entire admission process. He also shared his thoughts on the importance of college selection during the process.

Dr. Milind S. Yadav, Professor and Head of FAMT’s Career Counselling Cell delivered the presentation on the entire admission process with reference to the previous year’s admission process. The list of documents required institute selection criteria and other key pitfalls to avoid during admission process were discussed by Dr. Yadav.

During the question answer session, the queries raised by the parents and students were also discussed and answered satisfactorily. During interaction session the parents and students thanked FAMT for organizing the seminar. The event was concluded with refreshment for the attendees, followed by their visits to the various departments.

Prof. Sprooha Aathlye anchored the program. The infrastructural arrangements for the seminar were looked after by **Mr. Amey Raykar** and his team, the registration desk and refreshments arrangements were looked after by **Prof. Rushikesh Rasal**. The entire event was coordinated by **Dr. Milind Yadav** under guidance of Dr. **Mr. Gajanan Targaonkar, Registrar, FAMT** and **Dr. Kaushal Prasad, Principal, FAMT**.
