

Chemical Engineering Department Celebrated Engineers' Day

Department of Chemical Engineering in association with Association of Chemical Engineering Students (ACES) celebrated **Engineer's Day** on 15th September 2023 to express gratitude and appreciation to the Engineers. It is celebrated in India to commemorate the birthday of Bharat Ratna Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions to harnessing water resources in India.

The program commenced with the lightening of the lamp by **Dr. N. G. Kanse**, the Head of the department, and all faculty members. The teachers were felicitated by ACES student members and coordinators. **Prof. Raju K. Marag** and **Prof. S. B. Bobade** shared their views on this occasion.

The event was hosted successfully by **Ms. Shravani Vichare**. **Mr Nilesh Gurav** and **Mr. Sumit Petkar** delivered the speeches on Engineers' day. After the program, various events like quiz competition, Pen fights and musical chairs were organized for the students by the **ACES**.

The event was coordinated successfully by **Prof. R. K. Marag** under the guidance of **Dr. N. G. Kanse**, the Head of the Department. **Ms. Samiya Shivkar**, a final-year student, expressed a vote of thanks.
