EESA Celebrates Shivjayanti 2024

19th February 2024

FAMT Campus, Ratnagiri

In a celebration that resonated with pride, reverence, and cultural fervour, the FAMT campus witnessed the grand observance of Shivjayanti on 19th February 2024. The day-long event, organized by various student associations in collaboration, unfolded with a plethora of activities and cultural performances.

The festivities commenced at the break of dawn as the symbolic Shivjyot, a sacred flame representing the spirit of Chhatrapati Shivaji Maharaj, was brought from the historic Ratnadurg Fort. A solemn tribute was paid at the iconic Shivaji Maharaj Statue at Maruti Mandir Circle before making its way to the FAMT campus. The entire procession was a sight to behold, with students, faculty members, and guests accompanying the Shivjyot with pride and devotion.

Upon its arrival at the campus, a vibrant Granth Dindi took place, featuring the traditional beats of dhol tasha. The procession included a Paalkhi carrying the idol of Shivaji Maharaj and Biography books on the Maratha warrior king. The event was graced by the presence of esteemed dignitaries, including Principal Dr. Kaushal Prasad Sir, Dr. Jayant Mane (HOD, Dept of Electrical Engineering), and faculty members of FAMT.

A soul-stirring Arti of Shivaji Maharaj resonated through the campus, with over 200 students actively participating in the devotional ceremony. The atmosphere was charged with spiritual energy as the chants echoed in unison.

The highlight of the event was a captivating lecture by Guest Historian Shrinivas Pendase, who delved into the life and principles of Shivaji Maharaj, shedding light on the management aspects embedded in his governance. The lecture proved to be an enlightening experience for the students, providing insights into leadership and strategic governance.

The celebration also showcased the diverse talents of FAMT students, with self-defence demonstrations in the form of Laathi Kathi and spirited bhajan performances. The self-defence display, coupled with cultural presentations, added a dynamic and energetic dimension to the commemoration.

The entire event was orchestrated seamlessly by the collaborative efforts of various student associations, with the Electrical Engineering Students Association taking the lead. The unity and coordination among the students were evident, making the Shivjayanti celebration at FAMT a memorable and culturally enriching experience.

As the sun set on the day's festivities, the echoes of cultural pride and historical reverence lingered in the air, leaving a lasting impression on the FAMT community. The Shivjayanti celebration served as a reminder of the rich heritage and valour embodied by Chhatrapati Shivaji Maharaj, inspiring the present generation to emulate his principles of leadership and governance.
