## First Year Department Organized a Workshop on OBE, Bloom's Taxonomy and Attainment Calculation

On 03 February 2024, the Department of First Year Engineering organised a Workshop on OBE, Bloom's Taxonomy and Attainment Calculation for the faculty.

Dr. Y. G. Mulye, Professor and head of the First Year Department conducted the workshop in three sessions concluding with an activity-oriented fourth session. This comprehensive workshop provided the faculty participants with an understanding of Outcome-based Education, utilization of Bloom's Taxonomy and Course and Programme Outcome Calculation.

Dr. Kaushal Prasad, the principal, extended warm support for the successful organizing of the workshop that was attended by a total number of 41 faculty members from all departments of FAMT and the e-certificates were issued to all the participants. Ms Nargis H. Gangrekar, Assistant Professor, FE Department, coordinated the workshop.
