**CSE Department Organised Expert Session on Vocational - Engineering Education**

A Expert Session on “**Vocational - Engineering Education**” was Conducted by the Computer Science and Engineering(AI & ML) Department on 24th January, 2024, at Lokmanya Tilak Vidyalaya Ratnagiri, Municipal Corporation School no. 2.

**Prof. Mahesh A. Jadhav, Assistant Professor** of FAMT, Ratnagiri delivered the session for students to provide them an insight regarding career prospects in the domain of Engineering along with essential skill building. The session was attended by 80 students which helped them to know about the Engineering admission process, branches and job opportunities in the Engineering field, and eligibility for Engineering admission. The expert session left an indelible impact on the students, inspiring them to consider careers in engineering and related fields. The exposure to various engineering disciplines broadened their perspectives, allowing them to make informed decisions about their future academic and professional paths.

The session was ended by vote of thanks given by Mr. Bhagwan Shahaji Mote, the Head Master, Lokmanya Tilak Vidyalaya Ratnagiri.
