Department of Electrical Engineering

Industry Expert Session by
Mr Nitin Teli Sr. Test Lead, MASTEK UK Ltd. on
"Opportunities for Electrical Engineers in IT Sector"

Date: August 24, 2023

Time: 10:15 AM - 11:15 AM

Venue: Department of Electrical Engineering, Finolex Academy of Management and Technology, Ratnagiri.

Organized by: Prof. Prasad Kadam, Assistant Professor, Department of Electrical Engineering

Event Introduction by: Dr. Jayant Mane, Head of the Department of Electrical Engineering

Guest Speaker: Mr. Nitin Teli, Software Engineer, Mastek UK Ltd.

Number of Attendees: 40 Undergraduate Electrical Engineering Students

Event Overview:

On August 24, 2023, the Department of Electrical Engineering at Finolex Academy of Management and Technology, Ratnagiri hosted an Industry Expert Session for its undergraduate students. The session aimed to provide valuable insights into pursuing a career in the IT field, featuring a distinguished alumnus, Mr. Nitin Teli, who currently works as a Senior Test Lead at Mastek UK Ltd.

The event commenced at 10:00 AM with a warm welcome from Dr. Jayant Mane, the Head of the Department of Electrical Engineering. Dr. Mane highlighted the significance of such sessions in bridging the gap between academic knowledge and industry requirements. He emphasized the need for students to explore diverse career opportunities within the field of Electrical Engineering.

Mr. Nitin Teli, an esteemed alumnus of Finolex Academy of Management and Technology, Ratnagiri began his presentation at 10:15 AM. During the one-hour session, Mr Teli shared his journey from being an electrical engineering student to becoming a successful software engineer in the IT sector. His presentation covered the following key points:

1. Career Transition: Mr. Teli discussed the process of transitioning from an electrical engineering background to a software engineering role. He shared the challenges he faced and the skills he developed along the way.

2. Importance of Continuous Learning: He stressed the importance of lifelong learning in the IT field, given the rapid advancements in technology. Mr Teli encouraged students to stay updated with industry trends and continuously upskill themselves.

3. Soft Skills: Mr Teli highlighted the significance of soft skills such as communication, teamwork, and problem-solving in the IT industry. He shared personal anecdotes that showcased how these skills had helped him in his career.

4. Job Search and Placement: The session included practical advice on how to search for IT job opportunities, prepare for interviews, and excel in placement processes.

5. Q&A Session: The presentation was followed by an interactive Q&A session where students had the opportunity to ask questions and seek guidance on their specific career concerns.

The event concluded at 11:30 AM with a vote of thanks from Prof. Prasad Kadam. He expressed his gratitude to Mr. Nitin Teli for taking the time to inspire and guide the students. Prof. Kadam also encouraged the students to apply the knowledge and insights gained from the session to their academic and career pursuits.

Overall, the Industry Expert Session was a resounding success, providing invaluable information to undergraduate electrical engineering students and motivating them to explore diverse career paths within the IT industry. The department looks forward to organizing more such informative sessions in the future to empower its students in their career journeys.
