## Value-Added Course on Cloud Computing and Services

The Department of Information Technology, Finolex Academy of Management and Technology, Ratnagiri organized a 50-hour Value-Added Course on "Cloud Computing and Services" from 05th to 23rd April 2024, for the final year (BE) students.

Dr. Bhushan Jadhav, Associate Professor from Thadomal Shahani Engineering College, Mumbai was the resource person for this add-on course. The value-added Course aimed to provide students with a comprehensive understanding of cloud computing principles, technologies, and services. The course was designed to equip students with the knowledge and skills needed to effectively utilize cloud computing in various business environments. The main objective of this event was to prepare students for careers in cloud computing by providing them with the necessary knowledge and skills to design, implement, and manage cloud-based solutions effectively.

Dr. Yogesh M. Gajmal coordinated the event under the guidance of Dr. Vinayak A. Bharadi, Professor & Head of the Information Technology Department and the encouragement of Honorable Principal Dr. Kaushal Prasad. The participants showed keen interest in attending such events in future too.

Dr. Vinayak A. Bharadi Felicitating to Dr. Bhushan Jadhav
