## **Orientation Program on Major Project**

Department of Electronics and Telecommunication Engineering organized an **Orientation Program on Major Projects** on 19<sup>th</sup> April 2024.

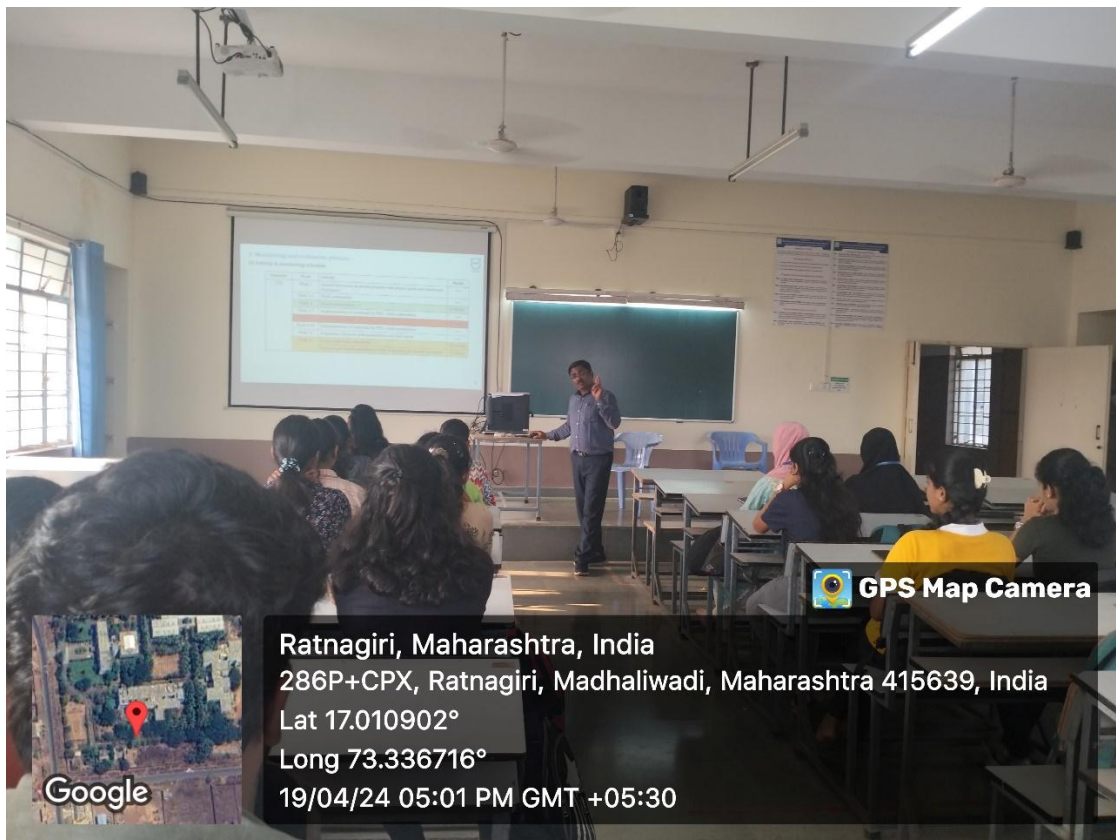

The objective of this session **is to give an overview of the Major project** to third-year students and **to explain the workflow of the project in semesters VII and VIII**. Prof. Amol R. Sutar is a resource person for this session. He also explored **the project evaluation method**. Students are informed **to form groups and to give project topics**.

42 Students of TE EXTC attended the session. Prof A. R. Sutar familiarized the students with the rules of group formation, guided the students about project topic selection, and instructed the students about protocols to be followed for major project work.

The session was organized by the Electronics and Telecommunication Engineering Department (EXTC), and coordinated by **Mr. A. R. Sutar and Miss. G. S. Bhosale** of the EXTC Department, under the guidance of HOD EXTC **Dr. S.V. Chougule**.

**Resource person Mr. A. R. Sutar explained the workflow of the project.**

**Resource person Mr. A. R. Sutar guided about project topic selection.**
