

Finolex Academy of Management & Technology, Ratnagiri

Department of Electronics & Telecommunication Engineering

TechSpring2k16

As per the tradition of E & TC department, ASENT (Association for Students of Electronics and Telecommunication) organized the signature technical event- TechSpring 2k16 on 11th and 12th February, 2016. Various technical events which included Project presentation, Circuit Building, Technical paper presentation, Spell-Bee, Snake& Ladder, Tech-Photo and Robolympics were held as a part of this event. The objective of the event was to encourage the ideas and technical excellence of the tech-savvy students. Continuing the legacy, this year also saw an overwhelming response and participation of the students from various degree and diploma engineering colleges of the Konkan belt. Around 700 students enthusiastically participated in various events. This event has certainly facilitated the hidden talents to showcase their technical expertise and has also helped in bringing out the innovativetech-ideas for the betterment of society.

Principal Dr. S.S. Goilkar, Prof. G.S. Kulkarni (HOD-E&TC department), Prof. G.G. Bhide (HOD-Electronics department) and ASENT faculty in-charge Prof. H.S. Bodas were present on the dais. Dignitaries on the dais congratulated ASENT for the grand success of the event and also praised the teamwork & management skills of ASENT students' team which made this event a successful one. Finally, the event concluded with Prize distribution ceremony followed by the vote of thanks from ASENT student's head Mr. Sanman Lakeshri.
