Department of Information Technology

Report of “Faculty Development Program on Career Opportunities and Self Dependence”

Faculty Development Program (FDP) was organized by **ITSA** and **Lemures Technology** on 23rd September 2016 in IT seminar hall at 2.30 p.m. Mr. Mahesh Rakheja , a well-known personality from Lemures Technology conducted the same. Many faculty members from various departments attended this event. Mahesh sir discussed various career opportunities and how self-dependence can be achieved using various ways.

During their session, they gave actual examples regarding how to be self-dependent and told various methods like **online videos, Public speaking, etc.** Sir concluded the session by telling teachers that using all above said techniques, a well earning can be made. All teachers gave excellent feedback regarding their speaking abilities and requested us to arrange one more long duration session with sir.
