## CHEMICAL ENGINEERING DEPARTMENT

### TWO WEEK WORKSHOP

on

### PROGRAMMING IN EXCEL Using MACROS, VBA & GOOGLE DRIVE APPLICATION

Department of Chemical Engineering organized a Two week workshop on PROGRAMMING IN EXCEL using MACROS, VBA & GOOGLE DRIVE APPLICATION (only on working Friday and Saturday) under the guidance of Dr R.S Bhande, Head of Chemical Engineering Department. This workshop is intended to guide final year engineering students regarding the use of Excel Sheets, Visual Basic Applications and Google Drive in preparing design data sheet and solving problems in Chemical Engineering.

The workshop was Coordinated by **Dr R.S Bhande** and Co-Coordinated by **Prof.V VGhadi**. The workshop was inaugurated by **Dr S S Golikar**, Principal FAMT. Dr R.S Bhande gave a brief outline of the workshop.

**Dr Y G Muley** gave a brief introduction to Visual Basic and explain how it increases accuracy of designing. Dr Y G Muley will be conducting sessions on the use of Excel along with Macros programming.

**Prof S S Mistry** gave a brief idea of the utility of Goggle drive in data sharing, storing and acquisition. He will be conducting some session on various utility functions of google drive. Also, he would be explaining methods of preparation of data sheets for analysis.

**Prof V.S. Pandit** will conduct a session on basic function of excel sheet, use of VB in Excel sheet. **Dr. R.S Bhande** along with **Miss M. M Gawankar** (Technical Service, FIL) will be conducting sessions on preparations of design data sheets using excel.
