

Finolex Academy of Management & Technology, Ratnagiri

Department of Electronics and Telecommunication Engineering

Parent Meet

Parents Meet of S.E. Electronics & Telecommunication Engineering was conducted after a formal meet in Auditorium. Prof. G. S. Kulkarni welcomed and addressed the parents. He introduced all the faculty members and followed by a presentation on brief introduction about the department.

During the presentation, Prof. G. S. Kulkarni elaborated on academic activities, co-curricular & extra-curricular programs conducted/organized by the department. The importance of various value added & add-on courses were also explained from the placement point of view with examples of alumni working as an entrepreneur and pursuing higher education. He thanked all the parents for attending the meet. It was followed further by an informal session of discussion between parents and teachers.
