

# Finolex Academy of Management & Technology, Ratnagiri

## Department of Electronics and Telecommunication Engineering

### Training Programme on CCNA

A **40-Hours Training Programme on “Cisco Certified Network Associate (CCNA)”** was conducted in Finolex Academy of Management and Technology, Ratnagiri by Department of Electronics & Telecommunication Engineering from **17 February to 22 February, 2017**. The training programme was coordinated by **Prof. G. S. Kulkarni (HOD, E&TC)** and conducted by Mr. Yogesh Hudale (Director, TeleNetworks, Mumbai) the alumnus of E&TC, FAMT (2012 Batch).

**Prof. G. S. Kulkarni** welcomed and introduced Mr Yogesh Hudale to participants. The course was based on various theory topics with hands-on sessions which include networking fundamentals, LAN switching, different routing protocols, IPv4 and IPv6 deployment in real networks, layer 3 redundancy with HSRP, the complete Internet architecture and career guidance for Telecom, Networking and SDN sector.

The training programme helped students to get insight into networking – real world implications and career prospects. **Prof. G. S. Kulkarni** extended vote of thanks.
