## Department of Electronics and Telecommunication Engineering

### Two days' Workshop on RF AND ANTENNAS: FROM THEORY TO PRACTICE

The department of Electronics and Telecommunication Engineering organized a two days' Workshop on "**RF AND ANTENNAS: FROM THEORY TO PRACTICE**" from 11<sup>th</sup> to 12<sup>th</sup> August, 2017. Prof. Dr. A. B. Kakade and Prof. M. R. Jadhav were resource person for the workshop.

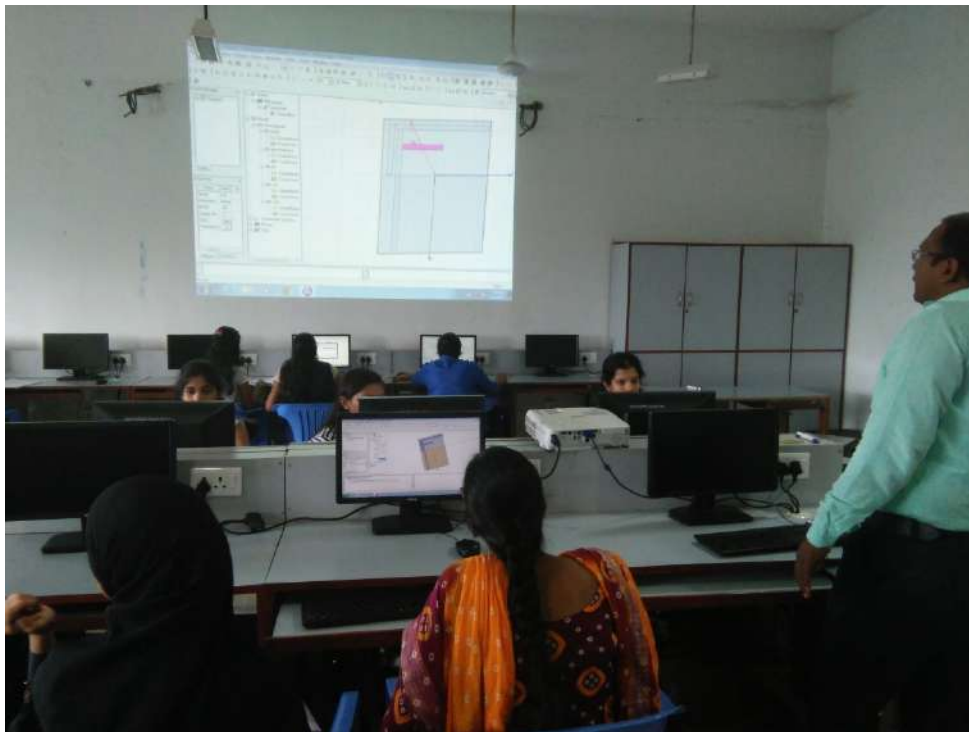

The objective of this workshop was to acquaint the participants with the basic principles, developments and research trends in the area of antennas and wave propagation. This workshop will certainly help students to improve technical skill set and hence employability, and the engineering faculty members to improve teaching methodology and efficiency. Mr. S. R. Pardule(Lab. Asst.) extensively supported for smooth conduction of workshop.

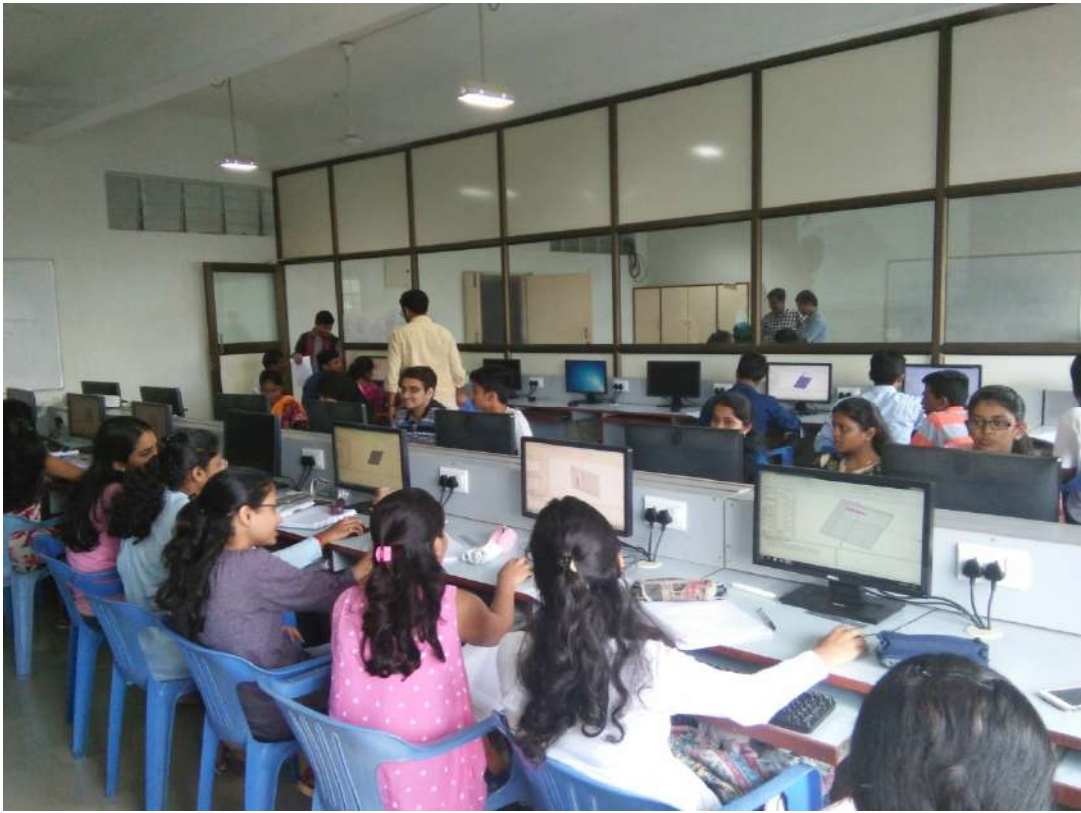

**Inaugural Speech by Prof.G.S. Kulkarni (H.O.D. E&TC)**

**Theory session by Dr. A. B. Kakade**

**Hands-on session by Prof. M. R. Jadhav**

**Hands on sessions**

**Antenna testing with Vector Network Analyzer**
