

HEARTY CONGRATULATIONS TO

DR. KAUSHAL PRASAD (Principal, FAMT)

For receiving HEF award for Best teacher in the area of Engineering Education on Teachers' Day from Higher Education Forum (HEF)

Higher Education Forum (HEF) has awarded **Dr. Kaushal Prasad**, (Principal, FAMT) as Best Teacher in the area of Engineering Education on teachers day. On the occasion of Teachers' Day, Higher Education Forum (HEF) felicitates teachers who have exemplified the word guru, and worked tirelessly to serve the cause of higher education in the country. He has conducted analytical study of thrust force for drilled composite and optimization of drilling parameters for maximum tensile strength of composite material. Dr. Prasad pursued his M.Tech. at IIT Kharagpur and earned his PhD from IIT Bombay. He has about 19 years of teaching experience and several years of administrative experience as well. He has taught a variety of courses to undergraduate and postgraduate students, including Engineering Drawing, Engineering Mechanics, and Thermodynamics among others. He has published several papers in national and international journals and presented at national and international conferences.
