## Department of Information Technology

### Parents Meet for S.E. Information Technology

The department of **Information Technology** conducted a Parents Meet for S.E. Information Technology on 23 September 2017 at IT Seminar Hall. Prof. Mandar S Joshi welcomed all the parents and Prof. Dr. V.A. Bharadi (HOD, IT) briefed about the department. Other highlights of his speech included add-on course, course enrichment, mentorship, defaulters' list, workshop conducted/organized by the department and future plans for placement of the students. S.E class teacher, prof. S. Sankareswari interacted with the parents informing their ward's progress. It was followed by discussion session in groups between parents and respective mentor/subject teachers viz. The meeting concluded with vote of thanks, followed by laboratory visit.
