Finolex Academy of Management & Technology, Ratnagiri

Department of MCA

STUDENTS – ALUMNI INTERACTION PROGRAM

Student – Alumni Interaction program was held in the department of MCA on 16th September 2017. **Prof. Varunraj S. Pandit** introduced our alumnus **Mr. Abrar Kazi** (Consultant Software, Datamatics Global Services). Mr. Abrar Kazi guided the students regarding career opportunities in Dot net stream. He emphasized on learning basic things and technologies which are required for dot net developer like MVC architectural pattern, jQuery, AngularJs. The program's aim was to share knowledge and build strong relationship between the students and alumni. **Prof. Ravindra V. Kerkar** coordinated the program and expressed the vote of thanks.
