

Finolex Academy of Management & Technology, Ratnagiri

Department of Chemical Engineering

Donation Drive by Association of Chemical Engineering Students (ACES)

Donation Drive was organized by Association of Chemical Engineering Students (ACES) on 15th, 16th and 17th February, 2017. The drive started with placing Donation Boxes at major locations in each department of FAMT for collection of unused items like clothes, shoes, stationary, nonperishable food items etc.

The boxes were donated to AASHADIP Foundation, a residential Schools for the Physically Challenged, located at MIDC area of Ratnagiri. Prof Dr R S Bhande, HOD Chemical Engineering Department, Prof. Prashant A Giri, ACES In-charge and students from BE Chemical Engineering coordinated the event excellently.
