

## Finolex Academy of Management & Technology

### Department of Electrical Engineering

### Farewell Programme

Electrical Engineering Students' Association (EESA) had organized a Farewell Programme on 29<sup>th</sup> September, 2017 to honor Prof. Prasad J. Kadam. He completed M. Tech in Power System and was the part of FAMT since 2005. He has guided many students with sincerity and commitment for almost a decade.

The programme was attended by the entire department. The faculty and students expressed their thoughts and best wishes for Prof. P. J. Kadam. Vikrant Zore (BE, electrical) presented a poem specially written for Prof. Kadam. A video clip depicting his memories in our institute was played. Student had also created a video of faculty members wishing him with the parting messages which was played subsequently.

Prof. Kadam inspired the students in his parting message. He spoke about his memorable days in college. On behalf of all electrical department, the students bid him farewell with greetings and a gift.
