Electrical Engineering Department

Welcome Programme

TE Electrical Engineering students organized **Welcome Programme** for SE Electrical Engineering students on 15 September 2017. The students were welcomed and introduced to co-curricular and extracurricular activities, facilities and traditions of the department. The prime motive of the program was to set interaction between S.E students and the seniors.

Prof. S.H. Mhabadi addressed students on various departmental activities and facilities. He asked the students to emphasis on rigorous training in analytical and experimental techniques, learning integrated approach to solve the problems and equip them to face the challenges of the industry. Prof. J. J. Mane, Faculty Incharge – EESA, guided students on various events conducted under EESA. Advait Halbe (CR) and Divya Jagtap from TE Electrical shared their views. The students from TE Electrical arranged fun games for S.E. students. The students were felicitated for special achievements as follows.

- Salman Nadaf for securing first rank in T.E. university examination.
- Ashish Kolekar, Sahil Phondekar, Aniket Surve, Vikrant Zore (students from BE) for filing patent on System For Regeative Breaking With Remote Monitoring.
- Pranali Tayshete, Manish Apte, Dipesh Korgaonkar and Advait Halbe (students from TE) for securrng 3rd rank in Judge's choice of state level competition Transform Maharashtra.
